

## What to expect...

### ► We are the best alternative to daycare!

We are a Summer Day CAMP! The day revolves around the activities scheduled from 9am to 3pm, and children may not be readily available to leave in the middle of the day as they may be on a different part of the camp property. It is also more difficult to get a child to their group after 9am. They are to bring their own lunch; we ask that you do not send microwavable food, as we have 70+ people and only one microwave. There are no "rooms" - your child's place is with his or her counselor participating in numerous different activities all week. We find that our youngest campers who have finished 5K have a better camp experience!

### ► We really are an outdoor camp.

This means that campers will experience God's creation in a real way - direct contact. Yes, the more unpleasant side of nature (yucky bugs, ticks, poison ivy) as well as the pleasant side (deer, turtles, mud puddles, etc.) exist in the woods as it does anywhere in the country. The counselors are trained on how not to come into contact with the unpleasant things and take appropriate steps to protect the camper. We spray our property for ticks; however, it is impossible to spray all 17 acres. We check campers for ticks after every event in the woods, and encourage a good bath or shower every evening. We encourage you to spray your children every morning or to send bug spray or lotion with them.

### ► We enforce our general camp rules.

Our first concern is the safety of your child(ren). Most often, we find kids barefoot. This may work in the backyard, but with thorns, rocks, and other man-made objects around, it is not safe. We ask that children wear closed-toe shoes (tennis or athletic shoes work well) all day, and that they have a pair of water shoes (anything closed-toe that can get wet and muddy), as well as a change of clothes every day. It is very disappointing to the campers not to go creek walking because they do not have the right clothes with them.

### ► We do not have a drop-in rate.

The fullness, variety and enjoyment of our program is dependent on the children being here five days a week. Even if the child is here less than a week, the week's fee will be charged. We do everything that we advertise in the course of a week, weather permitting. We don't want your children to miss part of the fun of what is planned for them.

## Fees & Information

### May 27 to August 1

- **\$25.00 Registration Fee Per Family**
- **Day Camp Weekly Rate \$100, Plus We Offer Family Discounts**
